

Clubhouse Forum Notes – April 3, 2014

Welcome and Icebreaker – What are you grateful for?

Announcements:

- **Tobacco Support Group – Mondays 1-2 pm here at Chinook with Steve Esenwein**
- **Well Body – Starts Friday 4/11 at Iris**
- **Wednesday activities....**

Old Business:

- Lunch Opportunities – members are signing up and then leaving without completing their task. How do we help with this? Janice proposed we focus on a solution vs a punishment. The idea is for a member to take the lead and help direct the lunch opportunity process with helping members get things done on time and help teach new skills to new members. Staff will be a backup to this plan. The group voted on a name of “Lunch Opportunity Coach” and Deb will follow up with putting a description together of what that would be.
- Hygiene and cleanliness – Lauren will help with getting some resources put together to offer to members who need help with this.
- Smoking area in the northwest corner of Chinook property will not be available and ONLY the front area of Chinook is designated as smoking now. Need to keep the porch furniture on the porch and NOT take down to the smoking area PLEASE.

New Business:

- Creative writing group interest – person not here to bring up so postponed.
- Garden Interest – a signup sheet will go up to get names of members who are interested in the garden.

Alpine Move Discussion:

- If you are interested in touring Alpine there will be a sign up sheet on the sign up board to gather names.

Meeting Adjourned 11:50 am
