- Ashtray was installed and members approved saying it looks really nice
- Continued support and positive feedback on John/Security staff
- Hygiene issues of people in the community area. Deb suggested that members please let a staff member know so we can address these issues and pass along to their RCC or other staff who work with that person.
- A newer member inquired about who he can reach out to and confidentiality in the “building”.

New Business:

- Request for more member involvement in the newsletter. Deb offered to work with anyone who wants to write anything. We really need more member involvement.
- Wellness Team is also adding 2 movie and discussion events – offered by Ben G – see the brand new February Wellness Calendar for upcoming offerings.
- Chinook Hero’s for January – Lee, Leanne, Ted L and Catherine! Ted and Catherine were our winners for the month for free lunch. Keep filling those out please.
